## STAR GAZE

My apologies to readers who phoned me during the weekend with pollution reports. The number I gave for the Star 398 2277 is available to the public between 9 a.m. and 5 p.m. weekdays. The other tenants Mr. and Mrs. Keith Nayland, the proprietors of Kiema Press (commercial and job printers) use the number at their house.

Remember the sign in Millers Road, tacked to the railway crossing, "Cops ahead", at least 30 people couldn't have read it or believed it, they were all booked last week within two hours.

One of Altona's oldest and best known identities "Sister Mac" left hospital this week and is home convalescing. Sister McDonald, always known as Sister Mac served for many years at Altona hospital and is still active at 80, visiting and chatting to the staff.

Chamber of Commerce president, Mr. Frank Smith said this week that Altona with its vast petrochemical complexes should have its own civil defence unit. The recent explosions and fire have highlighted the need he said. He is personally committed in his spare time. Any takers? Anyone interested should ring The Star on 398 2277, weekdays.

Westgate Television, in Pier Street, Altona is losing a well-known member of its staff this week, Mrs. Ann Johns. Ann finished yesterday to return to active duty in the home and to care for her son Billy who recently had his appendix removed.

Altona Council this week gave permission to build a restaurant in Pier Street, Altona. The applicant, Mr. T. Hovorka, of 187a The Esplanade, Altona, who is Hungarian said he was planning a continental style restaurant.

## Altona North wants new High School

Cr. Pat Lynch said this week that he would like to see a new high school established on the old briquette dump area in Altona North.

He added that Altona North High School had already reached its maximum intake. The population of young people in North Altona was increasing.

He said in planning for the future Altona should have assurances from the Education Department that its needs would be met.

Cr. Lynch said the Education Department had indicated it wasn't interested in establishing another technical school in Altona North.

He said Laverton

was a more likely site. The crux of the education problem was the teacher shortage and that he had conferred with local teachers to make Altona more attractive.

Cr. Lynch suggested the high school might be an experimental school, with a combined primary and secondary school.

Cr. Lynch, who has two children Kiernan 16½ and Brenda 13½, holds Altona Council's education portfolio.

Constable Smith and First Constable Wilson, (below), of the Mobile Traffic Section maintained a close watch on Millers Rd., Altona. Last Thursday they booked several people for exceeding the speed limit.

Mr. Tom Gillard, Mr. Arthur Hansen and Mr. Frank McCormack relax with a quiet game of billiards at the Altona Elderly Citizens this week.

Mr. McCormack, who is an expert at the game, won the singles

championship in 1970 and was runner up this year in the Western Suburbs Billiard and Snooker competition.

Two busloads of elderly citizens from the club visited Marysville this week.

After stopping for lunch at a local cafe

they returned, enjoying the scenery.

Later in the week Altona Elderly Citizens were visited by members of the Frankston Elderly Citizens Club.

They were entertained with a concert party and afternoon tea.

Good crowds attended meetings during the week.

A club member, Mrs. Woodyard is recovering from the fall she had in the club.

# Council 'no' to horse at park

A 15-year-old girl's application to Altona Council for permission to graze her horse on the P. J. Lynch Reserve has been refused by Altona Council's general purposes committee.

In the letter to the council the girl wrote:

"I am only a 15 year old school girl and I can't keep my horse in a stable because I don't have enough money, and I would not be able to exercise her every day as I should."

I have always wanted a horse and I have only had mine 5 weeks, so I would not like to sell her again.

I would like to let my horse loose in the paddock because she has rope burn on both back legs and I think she is in foal.

She will not get out of this paddock because it has high fences and I will put a lock on the entrance.

I will check on her every day before and after school to see that everything is alright.

I do not think she will create a disturbance because she is about 10 years old and very tame.

If you find it necessary that I tether her, please tell me.

Could you please give me approval.

P.S. I think the paddock is more than one acre.

Moved by Cr. Carlsson and seconded by Cr. Grant the motion rejecting the application read: "That the Town Clerk (Mr. James Waters) ascertain the area of request and that the applicant be advised that any area of the P. J. Lynch Reserve is not available for grazing."

The applicant, Miss Karin Volz, of First Avenue, Altona North has been moving her horse, Dusty from one paddock

to another since the decision.

She told the Star that many of her friends had horses and were paying up to \$2 a week to graze them.

If any member of the public can help they may telephone Karen at 391 4866.

Two other applications were made to council for permission to keep horses in the city.

They came from Miss Jan Barry, of Harrington Street, and Miss Ellis Dunlop, of Belmar Avenue.

Council advised them that the City of Altona by-law 41 prohibited the keeping of any horse within forty feet of a dwelling, and on land of less than one-acre, save with the written permission of the council.

"The council further advised that the owners would need letters from adjoining property owners indicating that they have no objection to the keeping of horses on the properties."

It has been said that stricter by-laws will be introduced regarding the keeping of horses within the City after the August council elections.

## \$10,000 FOR HOSPITAL

Four Altona service clubs and the Altona Ladies Hospital Auxiliary have raised nearly \$10,000 for the Altona District Hospital Building Appeal this year.

The latest donation—made by the Altona Rotary Club—was presented to hospital president (Mr. Bob Stringer) by Mr. H. C. (Pie) Beecham this week.

The cheque was for \$1000, taking the group total to \$9628.

Final plans for the extensions were approved by the hospitals' board of management this week, and it is expected tenders will be called in July.

## TRAFFIC REPORT

Altona Council will look at a suggestion by the traffic officer (Mr. J. Hansen) that parking time limits of one hour be introduced at Borrack Square.

At the same time they will look at the application of parking space at the rear of Sim's Markette, in Duke Street.

## Wright for State team?

Altona North Technical School Basketball team captain, Glen Wright, looks like making the Victorian under 18 State team going to Sydney in August.

Glenn, 17, of Adeney Street, Yarraville, recently led his team to victory in the grand final of the Western Suburbs Basketball Competition against Footscray Youth Club.

His standard of play has been high and consistent throughout the season and according to coach Brian Kerle his selection to the State team is almost certain. The team will be named in two weeks.

## REDRAFT

A redraft has been made of the Altona Council's specifications for septic tank installations.

All applications from the Altona Meadows estate will now be referred to the chief health inspector, the building inspector and the city engineer, for further discussion. They are considering the utilisation of the front area of building blocks at Altona Meadows.

## COUNCIL SHORTS

Altona Council will ask the Road Safety and Traffic Commission for the installation of a flag crossing over Civic Parade, after receiving an application from the principal of St. Mary's School.

In her application, Sister Mary Rose said that as many as seventy boys crossed the road at lunchtime to use the J. K. Grant Reserve for play.

The motion was put by Cr. Grant, seconded by Cr. Carlsson.

The Board of Works have announced it will

sewer areas between Chambers Road and south of McArthur Road, and between the Broadway and Hansen Street.

Owners of property in the area bounded by Alma, Victoria, Queen and Merton Streets will be

told the Gas and Fuel Corporation will provide gas reticulation in the near future. The installation which will be provided free, will cost the Corporation over \$25,000.

The mayor, Cr. Doug Grant and Altona councillors have been invited to a concert at the Mt. St. Joseph Girls School tomorrow night. Cr. Grant intends to attend.

Cr. Grant said Mr. McGraw had carried out work beyond his normal duties before the appointment of the present deputy town clerk, Mr. St. Fell. Mr. McGraw's wife, Colleen is a member of the Altona Hospital Ladies' Auxiliary.

## Apex helps hospital

Williamstown Apex Club will tidy up the area around the new Geriatric Wing of Williamstown Hospital.

The work of tearing up the Laverton Street roadway and footpath—which were granted to the hospital about 18 months ago—will be done by contract.

The Apex Club has undertaken to put the rest of the area in order.

Working at weekends, members already have removed the old fence.

They are preparing and

levelling the ground around the building to lay a path from the front area, between the new Bill Dooley wing and Penrose House and across the back of the grounds to the main hospital building.

After levelling, the area will be filled with loam, ready for planting.

The back area will be made a parking area for staff cars.

### HELLO-GIRLS!

This time of year we really can be troubled with dry skin. Continually massaging cream into the hands, finding our scalp itchy and even tending to flake. No not dandruff, nine times out of ten — just dryness — remedied with Flex Girls. And the poor old face. How dry it is! Makeup hard to apply, and it just looks flaky and uneven.

Check a few points. After cleansing does your skin feel parched? Your cleanser may be too harsh; or, your toning lotion a bit too drastic. Try diluting by firstly applying water to your cotton wool. Just for these windy, wintry months you could change to a slightly higher humectant and emollient holding cream — both day and night cream, try changing your day cream (under makeup/moisturiser).

For example, if you are using Revlon Under Makeup Base with its delicately formulated emollients, moisturisers and humectants — you could change to a slightly richer flowing emulsion of precious oils, moisturisers and humectants in Moon Drops Moisture Balm.

You will find your makeup glide over this easier, not leaving it patchy; no flakes will appear and you will feel satisfied again with your day long makeup.

There is also the choice of Revlons Eterna range — Eterna 27 Under Makeup Moisturiser has to be used to really be appreciated Girls. It is not for the "young" skins; but it may be for you.

What do you use on your face for a night cream? Moon Drops Nourishing Night Cream lubricates and moisturises the skin creating a soft refined velvety smooth complexion.

Waking Beauty Night Cream also restores silky smoothness, also corrects dryness, have vitamins A D & E which help smooth away dryness and flakiness while you sleep. Moon Drops Moisture Balm for Extra Dry Skins is a super rich flowing emulsion, relieving dry skin, flakiness and tautness. Soothes and softens, minimising age telling lines caused by dryness.

You could change to Eterna "27" Cream — a medium textured cream formulated with Progenin, emollients humectants and moisturisers. With faithful use it visibly reduces signs of aging skin, corrects dehydration and loss of elasticity.

Girls, don't shy at the mention of "aging skin", this has no connection with your year of birth — but if you look closely in your mirror you may have "mature" skin areas (even your 18-year-old daughter) around your eyes, or your mouth — your neck. The Australian climate sees to these areas, dries them at an early age. Watch these. — Bye.

# PIER STREET FENCE MOVE

Four Pier Street businesses will be asked by Altona council to move their back fences 8 ft. as a result of a recent meeting.

In a letter to Altona council, the Chamber of Commerce requested more parking space on the eastern side of Pier Street.

The chamber said that delivery trucks blocked the lane at the rear of some of the business premises, forcing them to park in the Blair Brown car park, which is restricted to two hour parking.

Several have received warnings from the traffic officer.

Cr. Pat Burns moved that four or five parking spaces be made available in Bent Street.

The National Bank, Herbert's Pharmacy, Delmans and Frank's Menswear will be asked to move their fences to provide extra space in the lane.

## Band elects new officers

New offices bearers have been elected for Altona City Band.

President and secretary this year are Mr. H. Marshall, of Footscray, and Mr. N. Miller, of Dove Avenue, Altona.

Vice-president is Mr. P. Mitchell.

Other office-bearers are Mr. G. Dennis, of Footscray, treasurer; Mr. G. Waters, VBL representative; Mr. R. Tabor, custodian and librarian; Mr. L. Cumming, drum major; Mr. D. Dobson, assistant secretary.

## Tennis club walk

The Altona Methodist Netball Club proposes to hold a walk on July 4, to raise money for their club.

The route they have chosen is from the Civic Centre along Civic Parade to Millers Road, to the overpass back along Civic Parade, via Beach Street, the Esplanade, Maidstone Street and back to the Civic Centre.

Money raised from the walkathon will be used to buy uniforms and balls for the club.

The club has a membership of 50.

## THANK YOU

Mrs. E. M. Rush, wife of the late ex-Cr. Fred Rush, wrote to council this week thanking them for their kindness on the death of her husband.

She especially thanked Mr. J. Mellors and Cr. Pat Burns for attending the funeral service.

## Report tabled

The Melbourne and Metropolitan Fire Brigade tabled their fire prevention report on two oil refineries at the last general purposes meeting of the Altona Council recently.

The chief fire officer of the brigade outlined to council the limitations of the brigade's powers.

After assurances that the two companies had met the uniform building regulations, the report will be discussed with representatives of both companies.

## Warning sign

A warning sign costing \$60 will be built on the median strip at the corner of Mills and Mason streets, Altona.

## FINED FOR DRINK NEAR DANCE

A crowd of young people round a car near the Civic Hall in Altona attracted h's attention. First - Constable N. Little, of Altona, told Williamstown Court last week.

Nell Winston Thomas, 19 of Blyth Street, Altona, was charged with having had intoxicating drink near a hall while a public dance was in progress.

He pleaded guilty and was fined \$20.

First Constable Little said that about 9.45 p.m. on May 7 he saw a crowd of young people, aged about 16 to 20, round a car in the parking area.

When he walked towards the car to see what was going on the crowd scattered and Thomas, who was one of three youths in the car, got out and walked away.

Inside the car were 18 beer and vodka and orange cans. Eleven were not open and seven were empty.

When questioned, Thomas had said: "I didn't know it was an offence to drink near a dance hall."

## MEMORIES OF AN OLD CHURCH

The charming, quaint little church on the corner of Sargood and Blyth streets holds a lot of happy memories for many district people.

There were dances, balls and merry gatherings when the building was Altona's first Progress Hall in the early 1920s.

Some of the couples who met there later married in the church.

But the history of the Altona Baptist Church goes back even further.

It began as a Sunday School at the back of the Flemings' home in Blyth Street in March, 1915.

A disused hall was brought down from Tylden, near Woodend, by steam tractor in 1922 and was put on the site of the Christian Education Hall, Sargood Street. This became the church's second home.

Soon after the Baptist Church bought the progress hall.

Its tower was designed

by Mr. Laurie Warner, who now plays the organ at Scots Church, Melbourne.

Miss Ivy McGowan remembers the opening day of the present church and the pride of district people who held a celebration in the form of an open air luncheon.

Tables were spread outside and a big crowd listened to the choirs and speeches.

It was one of the first churches in Altona.

The minister, the Rev. R. J. Reynolds, has been with the church for the 11th year and he is also active in court work.

## Church of Christ

John Lane, a children's worker with the Scripture Union, will talk to mothers of the Williams-town Church of Christ on July 7 on "Teaching Your Child the Christian Faith."

A prayer and Bible study meeting will be held at the home of Mr. and Mrs. E. Thatcher, 39 John Street, tomorrow, at 8 p.m. for the final of the series "Parables of the Kingdom."

On Sunday, at 5 p.m. there will be a youth tea followed by a youth service with some of the Christian Endeavourers taking part. The theme will be "Go tell the world" and the young people will bring items and lead in a special worship segment featuring a challenge for overseas mission Sunday.

Scripture Union week will be observed with a special gospel challenge on Sunday, July 11. The G.F. will restart its activities on Friday, July 9 with a progressive supper to which all young people over 14 are invited.

## MORE LIGHT NEEDED

The Superintendent of Parks and Gardens will report to council on whether the eastern oval at Digman Reserve can be floodlit.

This follows a request from Mr. E. Hudson, from Holy Trinity Junior Football Club.

Mr. Hudson wrote to Williamstown council that 25 boys from the club were forced to train on the eastern side of the pavilion because of lack of space.

He wrote that it was not possible to let the boys train on other than Monday and Wednesday nights because other sporting clubs were using the ground.

He asked that council consider installing floodlighting facing towards the eastern oval in addition to the floodlighting already there.

## Vandals smash three windows

Williamstown and Altona police are checking on vandals who broke windows in hit-run attacks on three premises.

The main sufferer was a clerk, of Queen Street, Mr. Markus Smpyrakis, a shopkeeper, of Ballarat Street, Yarraville.

He awoke about midnight one night last week when he heard the sound of breaking glass.

When he got out of bed he discovered his shop window broken. It was valued at \$180 and was not insured.

Mr. Francis McNamara, a clerk, of Queen Street, Altona, told police that at about 9.30 one night last week someone threw a milk bottle through a front window.

Damage amounted to \$20. Other vandals smashed a window at St. Andrews Church cottage in Cecil Street late at night. Damage amounted to \$5.

## TWO EXCUSES BUT SAME RESULT

Two motorists charged with driving without a licence told different stories in Williamstown Court last week, but they could have saved themselves the trouble.

The result was the same each time.

First Constable N. Little, of Altona, gave evidence in each case.

He said he saw George

Bobanovick, 20, of Blackshaw's Road, North Altona, driving in an uncertain manner in Miller's Road.

When asked for his licence, Bobanovick said: "I'm getting it next week."

Grazano Darmanan, 22, of North Avenue, North Altona, was asked in Napier Street, Essendon, to produce his licence.

He replied: "I got no licence. Sorry. I good driver, so I drive".

Both pleaded guilty and each was fined \$100.

When an older member of Williamstown Little Theatre heard about the production of *The Knack* which will run from July 7-17, she wondered how they were going to get that bed down Albert Road.

She remembered the

part in the film version, the skill of someone like Graham Murphy. The windows and doors have to be strong enough to be used. Sometimes a set is designed with a sloped ceiling, so that it will appear much larger than it really is.

The *Knack* will not be causing a traffic hazard outside the theatre, because the bed will be confined to just a stage appearance.

The action of the play takes place in a room that is being redecorated. Making such a set may sound simple, but it needs

The set for *The Knack* has to be painted during each performance, but this would be difficult and messy.

A member of the cast,

Peter Berg has been busy appearing in 12 Crawford productions as well as in *The Long Arm* on Channel 0.

Tickets are available at E. S. Marr's Music Shop, 49 Ferguson Street, and interested people are advised to book early while there are good seats left.

# Westgate juniors

Results of the Westgate Junior Rugby  
Union match played on Saturday, June  
26, are:

Under 18: Footscray nil  
lost to Army 23.

Playing home at Footscray Park, Footscray substituted several U-18s in its team and Army had no difficulty in dictating the pace. They provided good training for U-16 contenders in the selection trials for U-16 State representation.

Under 16: Altona North won on forfeit against Kiwis.

Under 14: Sunshine 18, d. St. Paul's College 5, at Footscray Park.

This game provided the match of the day, with a high standard of rugby. It depended on team play to gain the breaks, which in the end went to Sunshine. Keen scrummaging for ball possession gave both backlines equal opportunities with Sunshine running more strongly to score.

Scores: Sunshine 18, d. St. Paul's 5.

Scorers: Sunshine, Tries, M. Sigmund 3, B. Stanley.

Goal: D. Rae, St. Paul's; Try: G. Angus, Goal, M. McShane.

Altona North 17 d. Williamstown 6.

Playing at the Strand Reserve, Newport, Altona North were able to run more strongly with the ball, in a disorganised game. The forwards lacked the desire to go after the ball and tended to stand around instead of forming a tight scrum for a quick heel out. Fortunately both backs were keen to run. Referee Mr. K. Worthing.

Scores: Altona North 17 d. Williamstown 6.

Under 12: Sunshine 26 d. St. Paul's Primary, 0.

Sunshine had a good run against St. Paul's in a game at Footscray Park. They forced the play throughout and showed their ability as ball handlers.

Scores: Sunshine 26 d. St. Paul's Primary, nil.

Scorers: Tries: R. Smellie 3, D. Salisbury 3, C. McPherson, H. Kulesza.

## CARAVAN PARKS HOTLY OPPOSED

In a letter to the editor of The Advertiser, Mrs. L. A. Anderson has strongly attacked any proposal for a caravan park near the Williams-town Football Club.

Mrs. Anderson says a park would have difficulty, especially at first, to fill vacancies except for peak holiday time (Christmas-New Year), and to keep himself solvent, would find himself letting caravans to people who cannot find permanent housing elsewhere. For example, low-income families.

Perhaps, if Cr. White were to visit some of the suburban caravan parks (as I have done), he would not find that they are holiday parks, but thinly disguised versions of the old Camp Pell emergency housing.

"This we do not want in Williamstown."

"Caravan parks in established tourist areas, along Mornington and Bellarine Peninsulas, and in country towns, are not used as such emergency housing; firstly, because they do not have the same shortage of housing for permanent residents; secondly, if a proprietor allowed his park to deteriorate, it would not attract the more lucrative holiday business."

"There is, of course, the question of alienating public open space, designated for the use of the public generally."

—Mrs. L. A. ANDERSON.

## Wanted — wool

Williamstown Hospital Kalparin Club members are busy knitting rugs for the geriatric wing of the hospital, but as their wool supply is running out, they would appreciate some donations.

Even small amounts of wool can be used up in gay stripes and donations may be left at the hospital shop in Ferguson Street.

Under the energetic leadership of president Mrs. Jenny Homewood, and secretary, Mrs. Esther Lalor, a varied programme has been arranged for this year.

Functions already held include a progressive dinner, theatre nights, knitting demonstration, bus picnic and a travel talk.

Members and friends will visit the Mechanics' Institute for a historical evening on July 7.

A trip to Williamstown's Little Theatre is scheduled for July 13 to see their production, The Knack.

Members will visit Mytton Grosvenor on July 21 at 1.45 p.m. and on July 23 a Patons' crochet class will be held.

There will be an evening for husbands too, in the form of an excursion to APM on July 28. A bus will leave town hall at 7 p.m.

Meanwhile members are knitting, knitting, so remember to look out for scraps of wool so that they can continue to knit.

## 'Younguns' win close shoot

Werribee was well represented with nine shots in the annual 'younguns' versus the olduns' at Geelong on Saturday.

The younguns won a very close shoot, 1067 to 1063.

Top scorers for the day were Greg Lynch, of Geelong, and Bob McKean, of Werribee, each with 95.

The bad light and gusty wind kept scores well below average.

Werribee's representatives scored: R. McKean 95, R. Simmons 88, C. Thomas 88, C. Newsome 88, D. Breguet 87, T. O'Farrell 86, D. Maloy 85, R. Maloy, R. Bloom 81.

Next Saturday will be the start of the 1971-72 season with a practice over 500 yards.

The new dimension targets will be in use for the first time.

## Werribee CWA

Our June meeting was the annual effort held in the home of Mrs. Searle.

There was a very large attendance of member and all were grateful to Mrs. Searle for the morning coffee in her cosy warm home.

President, Mrs. North reported on the annual conference in Melbourne attended by 1600 members.

The July meeting is next week when the competition is for the Japanese article.

Sides of a trip to Hong Kong and Japan will be shown.

## YOUR STARS

(Guide for week — June 30 to July 6)

by  
"Swami"

**ARIES** — (March 21-April 19) — This week could be full of surprises — some of which may not be exactly pleasant, but, if you have prepared for all possibilities, then they should not rock you too much. Finances are ascending new heights. Choose your own colors. Two and nine are the favored numbers.

**TAURUS** — (April 20-May 20) — A fine time to get yourself out of that rut and start living. Indications are that almost anything you tackle this week is assured of success. But you will have to use a little effort. Join a club or visit friends. Choose your own colors. Selected numbers are: 7 and 8.

**GEMINI** — (May 21-June 20) — An important project on which you have been working for a long period could come to a successful conclusion this week. You may also find yourself invited to a very unusual and interesting place where you will meet an extraordinary person. Best color: jade green. Chosen number is: 9.

**CANCER** — (June 21-July 20) — You should avoid entering into any long-term contracts this week without perusing the details very carefully, as there could be hidden snags. Socially events should be quiet but interesting. Romance is coming your way. Colors to watch are grey and salmon pink. Best number is: 1.

**LEO** — (July 21-August 22) — Generally you will be a bit off key this week in most matters, but this will only affect you as much as you allow it. Others will not notice anything astray, so don't draw their attention to it. An interesting event is forecast for the end of the week. Best color: green. Lucky number is: 9.

**VIRGO** — (August 23-September 22) — Financially you should cut all expenditure to a minimum while you carefully examine your monetary position. You may find that a hidden leakage is causing all your problems. Plug it up before repending. Pale lemon is the chosen color. Favored numbers are: 8 and 9.

**LIBRA** — (September 23-October 22) — The non-reliability of others may have to be dealt with in a very firm manner this week. Be prepared to take decisive action if your own interests are in any way involved. Romantically, an interesting interlude is forecast. Yellow is the best shade. Best number is: 4.

**SCORPIO** — (October 23-November 21) — Important developments of a romantic nature can be anticipated and should prove the highlight of your week. Don't allow the opinions of others to mar your happiness — turn a deaf ear. Not a good period for over spending. Favored shade: gold. Selected number is: 3.

**SAGITTARIUS** — (November 22-December 22) — This week may start off badly in matters of personal relationship, but unexpected and very pleasant changes should brush away the clouds before the week is through. Some gay moments can be anticipated. Ivory is a good color. Favored numbers are: 3 and 9.

**CAPRICORN** — (December 23-January 20) — Irritations abound this week, and the only way you can avoid mounting tension and arguments is to keep to yourself as much as circumstances will permit. Avoid trying to compromise, it won't work. Colors are of no special significance. Favored numbers are: 8 and 9.

**AQUARIUS** — (January 21-February 18) — A fine week to exert your independence and show others what you can do by yourself. Success is assured, and you should gain renewed respect and popularity as a result of your efforts. Finances are good. Brown is the favored shade. Recommended number is: 9.

**PISCES** — (February 19-March 20) — Save your self a lot of trouble this week by keeping clear of people who are determined to take rise out of you. If you have to come into contact with them stay as aloof and unapproachable as you can. Gay shades of red predominate. Selected numbers are: 6 and 7.

## ELECTIONS

Nominations for candidates for the annual council elections close on August 11.

The elections will be held on Saturday, August 28.

## Clinic gets bigger

The junior football clinic conducted by the Werribee Football Club had its second session last Saturday and the attendance surpassed that of the opening day.

It was pleasing to see so many mums and dads in attendance and a couple of the boys even had their sisters along.

Senior players Henry Button, Ian O'Brien, Adrian McNaughton and John Hinkley came along and gave the boys instruction on different aspects of play.

Owing to the fact that the clinic is in its early stages, things are at present a little disorganised, but bear with them and they should have these minor problems sorted out in the next few weeks.

The club would like to thank Mr. Kendall, of Kendall Engineering, for the kind donation of metal supports for the goal posts.

This donation was arranged through Mrs. Tony Mantello, to whom the club also offers its thanks.

# BIG SOCCER WIN TO MAROONS

After a win over Ringwood at the weekend, Altona are in second position, hard on the heels of Division 1 champs, Elwood.

The game against Ringwood 'United' was a hard affair.

In the first half it was even with both sides tackling hard. Ackers and Straubinger capably backed up by Hynes and Baylish held a firm grip on the visiting forwards who last week notched 6 goals against Keilor City.

The Altona forwards were making little or no impression on Ringwood's defence.

Herman broke away but fell over at the crucial stage.

Micevski ripped a foul ball wide of the post.

Reid moved clear, looking for a gap in Ringwood's defence yet he found none.

Saxton was equally unlucky.

Hard tackling kept him in check.

Hans Vanderpole had two good saves which saw the interval come up with the scores level at Nil all.

Altona came out in the second half with Savage in the attack. They blasted Ringwood right out the game, rattling home four goals, the first of which was a beauty.

Micevski chipped the ball to Herman who headed it through to Reid, who tricked the defenders by cutting back the opposite way and moving in on goals.

He thudded home a glorious left-foot drive. Ackers and Straubinger kept the ball coming forward.

Savage and Reid worked in on goals, the shot was blocked by the keeper. Herman latched on to the rebound to tuck the ball into the corner of the net for number two.

These were close decisions with the referee giving the defence the benefit of the doubt.

However it was impossible to stop such constant pressure.

Micevski and Straubinger opened up a gap for Ackers and the big boy came roaring through like a tank, ran all of 30 yards to crash home another goal.

Three goals up wasn't enough, the Maroons were goal hungry.

Savage hit the bar and

was brought down at the recovery, but no penalty. Two minutes later it was certain penalty when Savage was grabbed as he was about to score. Ackers took the kick and goal.

Six games without defeat is Altona's best effort ever.

First division supporters will be pleased to hear

Billy Kerr has signed with Altona.

Billy is one of the best link men in the game and proves that Altona are chasing the big time.

The Res. XI is still undefeated and well clear at the top.

Despite winning three goals to one, it was an unimpressive victory.

Ekhien, Collins and Gorissidis played up to

scratch, some players appeared to be playing out of position.

Altona only succeeding in scrambling home, more cohesion is required if the unbeaten record is to be maintained.

Fourteen straight wins is impressive, this will be the Res. XI's first premiership.

Saturday's game, at Preston, a hard game, is expected.

# Tennis championships played Sunday

The finals of the Altona Tennis Club Championships will be played next Sunday.

Highlight of the afternoon's competition will be the match between Helen Shields and Lesley Hyde, who will be fighting it out for the women's singles championship.

Helen, last year's winner, will find Lesley strong competition. Lesley won the B grade singles last year.

Another interesting match will be between Greg Findlay and Ron Graham for the men's title.

The semi-finals of the mixed doubles competition was not contested too closely in most games.

The most interesting featured Helen Shields and S. Keown, who defeated A. Twentyman and E. Gordon 10-8.

Other results from last week:

G. Rowe/Y. Robertson d. W. Jeffs/J. Bennett 8-2; B. Colvin/S. Trofts d. J. Burke/M. Hayes 8-5; M. Borlich/J. Trickey d. W. White/G. Russell 10-3; J. Crofts d. J. Bennett 10-1; W. Thomas/S. Thomas d. # Centrals win against South

Centrals ran out easy winners in the game against South Kingsville, at Langshaws Reserve on Saturday.

Although the game was a one sided affair, plenty of weight was used by both sides.

Centrals took a stranglehold on the game in the first quarter when kicking against what amounted to a six or seven goal breeze, they out-scored South Kingsville.

With the breeze, Centrals were in continual attack as South Kingsville

battled to keep Centrals out.

However, Centrals kept the game relatively open to lead 10-11 to 2-4 at half time.

Centrals led 3-7 to 1-2 at quarter time.

With the breeze, Centrals were in continual attack as South Kingsville

Central's flimsy hold on fourth position requires a concentrated effort for the entire match from all players.

The three-quarter time scores were Centrals 13-13 to South Kingsville 7-5.

Interest in the last quarter was only in by how many Centrals would win.

Captain Ken Collins again one of the best afield, was a driving force in amassing Centrals score. Final scores Centrals 19-17 to South Kingsville 8-5.

Best players: Larry Thwaites, Ken Collins (1), Ted Jepson, Keith Murrell (1), Murray Sayers.

Other goal scorers: Alan Deans (4), Ron Smutney (4), Kevin Gilchrist (3), Rex Cole (2), Denis Robinson (2), John Campbell (1), Bill Kennedy (1).

Centrals seconds defeated Newport 7-9 to 4-10.

Best players were Ron Wilson, Laurie Cook, Grant Kelly, Angy Vassiliadis and Rick Trewavas.

# Altona loses to top team

Altona's lacrosse team, at Bond Reserve last Saturday met B grade lacrosse leaders, Caulfield Green. They went in hard the first quarter and caught the confident Caulfield side off guard.

With brilliant defence lead by goal keeper, Ray Dickens, Altona managed to hold Caulfield to two goals each at the end of the first quarter.

With three spare men available, the Altona side changed continually in the second quarter.

Trevor Danger again starred in the centre and tried to break the almost impenetrable Caulfield defence on numerous occasions.

At the end of the third quarter, Altona thought they could win the match as each player was playing well.

Unfortunately, the final quarter saw Caulfield come out determined to win and fearing the embarrassment of losing, put all they had in it and were able to draw away to win 9-4.

VOTES — R. Dickens (3), R. Barrow (2), T. Danger (1). Goal-throwers — M. Rags (1), T. Danger (1), F. Dekusal (1), L. Marchant (1).

The two Altona junior lacrosse teams won both their games — Altona 49-1; Altona Nth. 28-2.

# Methodists down in table tennis

Altona table tennis team moved to equal fourth place with Westerners after defeating Ballarat Road Methodists 10-1 in round nine at the winter pennant last week.

Ballarat Road Methodists played without two regulars in Clarke and Richardson and Altona were in no real danger of defeat.

However they gave a hundred per cent effort in every rubber in order to bridge the percentage deficit from fourth team Westerners.

Neil Wynn and Paul Morris both won three singles rubbers including wins over BRM star Rob McInness, each rubber going to three sets.

Paul Morris won 21-16/16-21/21-18 and Neil Wynn 7-21/21-13/21-10.

Alan Evans was less fortunate, losing Altona's only rubber for the night when he lost to BRM's McInness 15-21/20-22.

Altona won both doubles easily, and if they can hold their present form, they should account for Avondale Heights CTS (2) away next week and possibly slip into the four on percentage.

Paul Morris, one of the Western Suburbs top juniors will be a member of the Victorian Metropolitan Association team to play against the touring Tasmanian junior team at the Albert Park Stadium on July 31 along with possibly one or two other

Western Suburbs junior players.

"Cl" — Altona with Les Reynolds at the helm defeated Brooklyn YCC (2) 6-5.

Although Altona only won four singles rubbers (Les Reynolds, 3 Trevor Taylor, 1) to Brooklyn's 5.

They combined well to win both doubles rubbers to clinch the match 6-5.

"Di" Altona Working Men's Club retained top place by two rubbers from NOVA, when AWMC defeated Scots 8-3 in last week's round nine match.

AWMC's No. 1 player Kevin Peachey won three singles rubbers and was ably supported by his brother Alan (one rubber) and Sandra Yates (two rubbers).

Seaholme, after a run of wins lost to third team Footscray High 9-2, in a match where the final result did not reflect the closeness of the game.

Best player for Seaholme was Susan Jeffrey, who won one singles rubber.

# Reserves failed

Spotswood Reserves teamed poorly, did not go in hard enough for the ball and failed to mind their men — the result, a loss to lowly Seddon.

Final scores were: Spotswood 2-14 (36), Seddon 7-11 (53). Goals: T. Elliott, Lacey.

Best: Horwood, Lacey, M. Lee, McHardie, Short, Tweedley, Webster.

At home to North Maidstone, Spotswood Under-18's proved far too strong and won easily.

The star of the game was full forward Mackey, who kicked 11 goals.

Final scores were: Spotswood 36-38 (242), North Maidstone 3-1 (19).

Goals: Mackey 11, M. Jacarino, Bunting 5, Walker 4, Cottee 2, Wells 2, Askew, Barresi, Hughes, Maltman, Reidy, Rich.

Best: Whole side. At Barlow Reserve, the Under-18's had to much physical strength for Braybrook.

Final scores were: Spotswood 18-26 (134), Braybrook 1-2 (8). Goals: Lom 7, Dear 4, Powley 2, Cameron 2, Scott, Carrington, Hester.

Best: Cameron, Powley, Dean, McCracken, Caldwell, Markovic.

The Under-14's were beaten by Altona-North Brooklyn Youth Club.

Final scores were: Spotswood 2-7 (19), Altona-North Brooklyn 4-9 (33). Goals: M. Davis 2.

Best: Dinatall, Norton, Gibson, Landers, M. Davis, Parry. In an even game the Under-12's held a comfortable advantage over Kingsville.

Final score was Spotswood 6-11 (47), Kingsville 4-0 (24). Goals: Armstrong 2, Anderson, Dimartino, Lynch, P. Nancarrow. Best: G. Livermore, Armstrong, Lynch, P. Nancarrow, Bone, Dimartino, Anderson.

# Brooklyn beat Norths

Brooklyn showed their strength at the Max Kidd Cup football championship on Sunday, when they stormed downfield to press Norths defence.

It proved to be a very hard game and only the good play of Spiteri, Anile and Bluschke stopped Micevski and Balofski from scoring more goals.

Brooklyn team took the cup by beating 4-0. The medals and cup were presented by Mr. B. Antonoff. The League commences next Sunday at 9.00 a.m.
